TOWN MEETING WARNING

The legal voters of the Town of Moretown and the Moretown School District are hereby warned and notified to meet at the Town Hall in Moretown on Tuesday, March 3, 1942 at ten o'clock A. M. standard time, to transact the following business:

ARTICLE 1. To elect a Moderator.

ARTICLE 2. To elect a Town Clerk.

ARTICLE 3. To act on the reports of the several Town and Town School District Officers.

ARTICLE 4. To see if the Town will vote to instruct the Selectmen to appoint one or two Road Commissioners.

ARTICLE 5. To elect all necessary Town and Town School District officers.

ARTICLE 6. To see if the Town will vote to have the taxes on real and personal property paid in installments and to fix the dates of payment of taxes.

ARTICLE 7. To see if the Town will vote to have the taxes paid to the treasurer or to the Collector of taxes.

ARTICLE 8. To see if the Town will vote to provide any discounts regarding the payment of said taxes and if so, how much.

ARTICLE 9. To see if the Town will vote to authorize the Selectmen to borrow money to pay the current expenses of the Town in anticipation of taxes for that purpose.

ARTICLE 10. To see if the Town School District will vote to authorize the School Directors to borrow money to pay current expenses of the Town School District in anticipation of taxes for that purpose.

ARTICLE 11. Will the Town continue the Budget system; if so, have the Chair appoint, or the voters elect two members in place of those whose term expires.

ARTICLE 12. To see if the Town will vote to instruct the Selectmen to enlarge the Kitchen and dining room at the Town Hall.

ARTICLE 13. To see if the Town will vote to instruct the Selectmen to purchase a tractor and/or truck.

ARTICLE 14. To see if the Town will vote to take advantage of the extra \$25.00 per mile granted by No. 101 of the Acts of 1937.

ARTICLE 15. To see if the Town will vote to appropriate a sum of money to take advantage of the State Aid law for resurfacing selected highways.

ARTICLE 16. To see if the Town will vote the Auditors authority to employ the services of an accountant from the office of the Auditor of Accounts.

ARTICLE 17. To see if the Town will vote to pay the Town Clerk a salary, and if so, how much.

ARTICLE 18. To see how much per cent the Town will vote to raise on the dollar of the grand list of the Town for the year 1942 to pay the current expenses and indebtedness of the Town and State and County taxes.

ARTICLE 19. To see how much per cent the Town School District will vote to raise on the dollar of the grand list of the Town School District for the year 1942 to pay the current expenses and debts of the Town School District.

ARTICLE 20. Shall licenses be granted in this Town for the sale of malt and vinous beverages?

ARTICLE 21. Shall spiritous liquors be sold in this Town?

ARTICLE 22. To transact and other legal business.

F. S. HOWES,
W. J. SHEPARD,
E. R. HAYES,

Selectmen.

Approximately 210 elementary pupils each @	38.86

To the Citizens of Moretown:

The financial statement of the School Board should have a word of explanation.

In 1939 the crowded condition of the Rockbridge School was causing considerable agitation. The Rockbridge School itself was crowded and Duxbury was not anxious to take Moretown pupils in their school. So the Town voted the schools 90 cents with the suggestion of saving part of this to build up a surplus to be used in relieving the situation by building or transporting. That year \$2,178.19 was saved but Duxbury no longer objected to Moretown pupils and the State Board of Education advised against building a school immediately adjacent to another. The balance was held in reserve.

This year there are 30 pupils in the Rockbridge School. There are 14 Moretown pupils in Duxbury and 5 in Waterbury. These pupils will cost \$665 in tuition for the year. An average one room school operates for about \$900.00 a year, \$300.00 of which would be returned in State Aid. So, as the situation now is, there is no financial gain either way.

However, the School Board feels the time may come when there should be a change. With that in mind, they suggest this reserve continue to be held until such time as building materials and labor are more available than at present.

The Rockbridge School was painted inside this year and should be painted outside next year. There are 31 pupils attending the school.

The Jones Brook School has 20 pupils and is being satisfactorily maintained. The school was thoroughly cleaned but needed no major repair work done.

The Taplin School is open this year with only 7 pupils. However, this is more satisfactory than transporting small children and also increases the State Aid by \$300. The school was painted outside and other repair work done.

The Flannagan School is in good condition and serves 10 pupils. The Flannagan P. T. A. purchased and installed a slide at this school.

The Common School is very small, having but 4 pupils. This school is so situated as to make transportation of the four difficult and again, the State Aid of \$300.00 offsets the expense, which is less than the other schools.

The Village School is in good condition. There are 20 pupils in the Grammar room and 27 in the Primary. Additional swings have been bought to be put up in the Spring.

There are fewer children from the Cox Brook district attending the Berlin School. This is the most satisfactory arrangement there.

The School Board urges the parents to visit the schools while in session and cooperate with the teachers as much as possible. In this time of great National Emergency, let us keep the daily life of the children as steady and normal as possible.

The School Board feels sure the cost of maintaining the schools will be greater the next year because of higher prices on all repair materials and labor.

If we wish to obtain or retain good teachers, we will need to increase salaries. The School Board hopes the town will vote the same, 85 cents as they had last year.

The School Board thanks the townspeople, teachers and pupils for their co-operation the past year.

ALINE WARD,
FRED HOWES,
W. A. ROBY,

School Directors.

The Town of Moretown is hereby notified that the tuition charge for each nonresident pupil in the Montpelier High School will be eighty-five (\$85.00) per year after June 30, 1942. This increase will become effective at the beginning of the 1942-1943 school year.

The Town complies with the State Law and pays \$75.00 on all High School pupils. It would not be fair to do otherwise. However, Montpelier furnishes text books, while the other adjacent High Schools require their pupils to buy their own.

SCHOOL SUPERINTENDENT'S REPORT

Teacher	School	Certificate
Frances Mabel	Flannagan	Professional Probationary
Nita Falby	Rockbridge	Professional Probationary
Mildred Benedict	Village Gram.	New Life
Dorothy Griffith	Vill. Primary	Professional Standard
Thelma King	Jonesbrook	Professional Probationary
Kathleen Brooks	Taplin	Professional Probationary
Bertha Foster	Common	Professional Probationary

To the voters of Moretown: As your superintendent of schools I wish to report that all teachers in the town have given very satisfactory service.

It seems quite necessary to tell you about the conditions which will confront your school board for the next year. Enrollment in our normal schools, which prepare teachers, is only eighty per cent of what it was last year. Even last year it was necessary for us to go out of the state to hire teachers. Not only the teachers and prospective teachers in our own state but those from other states as well are more and more accepting jobs in industry, attracted there by the higher salaries paid to them. This shortage of teachers may force us to consolidate some of the schools which would mean some loss of state and also an added expense in transportation. These factors would tend to increase per-pupil cost.

In order to retain some of our present teachers, salaries will have to be increased by as much as ten per cent. This increase of ten per cent would not make up for the twenty-five percent increase in the cost of living but it might encourage some to stay in teaching. Books and supplies have already increased fifteen percent and there will undoubtedly be further increases in the prices of those items.

In view of these facts I cannot see how it will be possible for you to reduce your school budget for the next year.

I wish to take this opportunity to thank the teachers, parents and school board for their fine cooperation with me this past year.

Cordially yours,

W. ROY LeBARON,
Superintendent.

BUDGET COMMITTEE REPORT

In spite of the increased cost of labor and materials throughout the year, we feel that our town officers have made an earnest endeavor to keep expenses within the money available.

We recommend that the Treasurer or Constable be authorized to check all outstanding orders and have them brought to the current year by either cancellation or payment.

That the Town officers group their orders for the various jobs and report only totals. This would result in an annual saving to the Town of about fifty dollars.

That delinquent taxes appear in the Town Report for the past two years only.

We suggest a \$2.35 tax rate as follows:

OLD AGE ASSISTANCE DEPARTMENT
STATE HOUSE
MONTPELIER, VERMONT

For the information of your taxpayers, the customary annual statement is presented for your town report.

Payments of Old Age Assistance to persons applying from your Town amounted to \$3,502.00 during the year January 1, 1941 to December 31, 1941.

The number of recipients in December, 1941 was 13.

As this program touches every community and many persons, we believe the public should know the following facts:

Expenditures for Old Age Assistance in Vermont amount to over \$1,000,000 a year. All payments are made on a budgetary basis and only after complete investigation by a trained social worker employed under Civil Service regulations. Since the beginning of the program ninety-six cents out of every dollar available to the Department has been expended for the aged and only four cents used for administration.

The increased cost of living and its effect on the budgets of some 5,600 aged persons currently receiving assistance each month constitutes a serious problem, impossible to solve because it is a financial one. This situation also prevents grants of assistance to new applicants who, in many cases, are quite as needy and deserving as those already receiving assistance. The resources of this Department and its ability to make grants are determined by the State Appropriation, which is matched by Federal funds.

The advice and council of local officials and interested persons have been very valuable and are gratefully acknowledged.

Very Sincerely yours,

W. ARTHUR SIMPSON, Director
